

Housing the Bay Webinar: Legislative Recap 2023

Burke partner, Nira Doherty, is speaking on ULI SF's panel for **Housing the Bay's** annual recap of this year's notable housing legislation! This webinar is FREE for members and will feature a panel discussing new laws on streamlining entitlements, increasing density, parking reform, post-entitlement processing, equity and low-income housing opportunities. Panelists representing advocacy, public sector, and private development will discuss the future of housing in California at a critical time when many are reflecting and recalibrating based on market conditions and other shifting trends.
