

Ideas and Challenges Related to the Cannabis Industry and Real Property - Financing, Leasing, Selling, Buying, and Permit Compliance

State Bar of California 36th Annual Real Property Law Section Retreat

This panel will explore some challenges and creative solutions surrounding the implementation of the California laws related to cannabis for real property, including ensuring compliance with the law, federal concerns, security, and financing property with a largely cash-only business. Join for an interactive discussion on approaches to resolving sometimes diverging interests to help everyone achieve their business goals.
