

An abstract geometric pattern consisting of a series of overlapping, curved lines that create a sense of depth and perspective, resembling a dome or a series of arches. The lines are in shades of gray and white.

Litigating Strategies for Filing ERISA Case v. Filing Non ERISA Cases, Procedural Nuances in the Early Stages of Pleadings, Finding More Favorable Venues, and Transfer of Venue

ACI's 19th Annual Advanced Forum on Litigating Disability Insurance Claims
The Omni Parker House Hotel
Boston, MA

ACI's 19th Annual Conference on Litigating Disability Insurance Claims will help you to tailor your practice to the on-going discovery battle, and highlight key strategies to making discovery useful and meaningful to your case in the face of both an "arbitrary & capricious" and "de novo" standard of review. Attendees will hear the latest on how other industry professionals are navigating the shifting remedies landscape in disability claims, and will be provided with the latest practical solutions and tips for handling these claims in various stages including pre-litigation, mediation and administrative review.
