

Local Public Employee Discipline, Discharge, and Procedure: Avoiding Costly Mistakes

State Bar of California Webinar

Sloppy disciplinary practices can have disastrous consequences. This program will provide a procedural overview of local public agency progressive discipline and discharge, along with practical advice for avoiding common mistakes that lead to costly litigation. Attendees will learn effective techniques to manage and document employees, including drafting meaningful performance reviews, investigating misconduct, and complying with procedural requirements which must be fulfilled before imposing progressive discipline and discharge. Obtain useful tips in managing difficult employees and properly documenting behavior. This program offers 1 hour participatory MCLE credit.
