

The CalPERS Audit: Demystifying The Public Agency Review Process

2018 CALPELRA Annual Conference

Monterey Conference Center

Presented by Daphne Anneet

To ensure public agencies correctly enroll and report member information, CalPERS regularly conducts audits of public agencies. In this session, you'll receive the tools you need to prepare for, respond to, and redress audit findings, if appropriate. Designed to demystify the audit process, this session provides an overview of the audit process, discusses the process CalPERS uses to resolve audit findings, and identifies common audit findings, preparing you to take steps to mitigate risk to your agency.
