PRACTICES

Construction Law

Litigation

Real Estate and Business Law

EDUCATION

J.D., Santa Clara University
School of Law

B.A., Santa Clara University

ADMISSION

State Bar of California

Craig Kisylia works with owners, civil, commercial, and residential contractors, subcontractors, and suppliers in the construction and real estate industries to solve their most complex legal challenges. Craig counsels clients on risk management, contract negotiations and construction claims and disputes including payments, delay and disruption, and construction defects. He is experienced in and manages all phases of litigation, including legal research, discovery, motion practice, and dispute resolution proceedings.

During law school, Craig was the External Vice President of the Santa Clara University Law and Business Society and served as Chairman of the Advocacy Committee for the Honors Moot Court Internal Competition.

RECOGNITIONS

Selected to Super Lawyers, Rising Star (2022-2023)
