

Social Media and the Workplace

Today's Insurance Professionals, Summer 2016, Vol 73, Issue 2

Social media has changed every aspect of our society, including the workplace. Employers are struggling to keep up with all aspects of social media, including positive uses of social media for things like marketing and recruitment, to the negative issues presented by social media such as employee misconduct and invasions of privacy. The laws related to social media and the workplace continue to develop as lawmakers and courts attempt to keep up with the ever-changing face of social media. This article highlights some of the current issues facing employers.
