PREFACE

The Ralph M. Brown Act (Brown Act)¹ was enacted in 1953. The purpose behind the Brown Act, as originally adopted and as it remains today, is to ensure that actions of local public agencies—including their deliberations—are taken in open and public meetings, with posted agendas, and where all persons are permitted to attend and participate. Over the years, the Brown Act has frequently been amended to address new issues affecting government transparency, including those brought about by new technologies (e.g., the internet and the ability to hold “remote” or “virtual” meetings).

These incremental changes gave way in 2025 to a wholesale update of the Brown Act under Senate Bill (SB) 707. This legislation added or amended dozens of provisions of the Brown Act including new remote meeting participation and agenda translation requirements, language interpretation assistance, and updates to local agency websites regarding meeting notices and how members of the public may participate in meetings. SB 707 also mandated for the first time that a local agency “provide” every elected or appointed legislative body member with a “copy” of the Brown Act.

While it is not an unreasonable directive that local officials be provided with a copy of the Brown Act, neither the Legislature nor any State agency actually compiles the myriad provisions of the Brown Act into a single document. To address this need, Burke, Williams & Sorensen, LLP has created this compilation of the text of Brown Act in effect as of January 1, 2026. We hope that this handy copy will, like the Brown Act itself, aid in the conduct of the “people’s business.”

The provisions of the Brown Act are also available on line through the California Legislative Information website at:

https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=GOV&division=2.&title=5.&part=1.&chapter=9.&article=

We expect that the Brown Act will continue to be amended, and encourage local officials and the public to check the Legislative Information website to ensure reliance on the most current text of the Brown Act.

Government Code - GOV

TITLE 5. LOCAL AGENCIES [50001 - 57607] (Title 5 added by Stats. 1949, Ch. 81.)

DIVISION 2. CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 55821] (Division 2 added by Stats. 1949, Ch. 81.)

PART 1. POWERS AND DUTIES COMMON TO CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 54999.7] (Part 1 added by Stats. 1949, Ch. 81.)

CHAPTER 9. Meetings [54950 - 54963] (Chapter 9 added by Stats. 1953, Ch. 1588.)

54950. In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

(Added by Stats. 1953, Ch. 1588.)

54950.5. This chapter shall be known as the Ralph M. Brown Act.

(Added by Stats. 1961, Ch. 115.)

54951. As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

(Amended by Stats. 1959, Ch. 1417.)

54952. As used in this chapter, "legislative body" means:

(a) The governing body of a local agency or any other local body created by state or federal statute.

(b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.

(c) (1) A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that either:

(A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.

(B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.

(2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting member of the governing body of that private corporation, limited liability company, or other entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

(d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety Code after January 1, 1994, where the lessee exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.

(Amended by Stats. 2002, Ch. 1073, Sec. 2. Effective January 1, 2003.)

54952.1. Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.

(Amended by Stats. 1994, Ch. 32, Sec. 2. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54952.2. (a) As used in this chapter, “meeting” means any congregation of a majority of the members of a legislative body at the same time and location, including teleconference location as permitted by Section 54953, to hear, discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the legislative body.

(b) (1) A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

(2) Paragraph (1) shall not be construed as preventing an employee or official of a local agency, from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the

local agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.

(3) (A) Paragraph (1) shall not be construed as preventing a member of the legislative body from engaging in separate conversations or communications on an internet-based social media platform to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body provided that a majority of the members of the legislative body do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body. A member of the legislative body shall not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.

(B) For purposes of this paragraph, all of the following definitions shall apply:

(i) “Discuss among themselves” means communications made, posted, or shared on an internet-based social media platform between members of a legislative body, including comments or use of digital icons that express reactions to communications made by other members of the legislative body.

(ii) “Internet-based social media platform” means an online service that is open and accessible to the public.

(iii) “Open and accessible to the public” means that members of the general public have the ability to access and participate, free of charge, in the social media platform without the approval by the social media platform or a person or entity other than the social media platform, including any forum and chatroom, and cannot be blocked from doing so, except when the internet-based social media platform determines that an individual violated its protocols or rules.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person that do not violate subdivision (b).

(2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or

organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.

(Amended by Stats. 2025, Ch. 327, Sec. 1. (SB 707) Effective January 1, 2026.)

54952.3. (a) A legislative body that has convened a meeting and whose membership constitutes a quorum of any other legislative body may convene a meeting of that other legislative body, simultaneously or in serial order, only if a clerk or a member of the convened legislative body verbally announces, prior to convening any simultaneous or serial order meeting of that subsequent legislative body, the amount of compensation or stipend, if any, that each member will be entitled to receive as a result of convening the simultaneous or serial meeting of the subsequent legislative body and identifies that the compensation or stipend shall be provided as a result of convening a meeting for which each member is entitled to collect compensation or a stipend. However, the clerk or member of the legislative body shall not be required to announce the amount of compensation if the amount of compensation is prescribed in statute and no additional compensation has been authorized by a local agency.

(b) For purposes of this section, compensation and stipend shall not include amounts reimbursed for actual and necessary expenses incurred by a member in the performance of the member's official duties, including, but not limited to, reimbursement of expenses relating to travel, meals, and lodging.

(Added by Stats. 2011, Ch. 91, Sec. 1. (AB 23) Effective January 1, 2012.)

54952.6. As used in this chapter, "action taken" means a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or a negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance.

(Added by Stats. 1961, Ch. 1671.)

54952.7. A local agency shall provide a copy of this chapter to any person elected or appointed to serve as a member of a legislative body of the local agency.

(Amended by Stats. 2025, Ch. 327, Sec.3. (SB 707) Effective January 1, 2026.)

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(A) All votes taken during a teleconferenced meeting shall be by rollcall.

(B) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency.

(C) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(D) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as expressly provided in this chapter.

(4) The teleconferencing requirements of this subdivision shall not apply to remote participation described in subdivision (c).

(c) (1) Nothing in this chapter shall be construed to prohibit a member of a legislative body with a disability from participating in any meeting of the legislative body by remote participation as a reasonable accommodation pursuant to any applicable law.

(2) A member of a legislative body participating in a meeting by remote participation pursuant to this subdivision shall do both of the following:

(A) The member shall participate through both audio and visual technology, except that any member with a disability, as defined in Section 12102 of Title 42 of the United States Code, may participate only through audio technology if a physical condition related to their disability results in a need to participate off camera.

(B) The member shall disclose at the meeting before any action is taken, whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any of those individuals.

(3) Remote participation under this subdivision shall be treated as in-person attendance at the physical meeting location for all purposes, including any requirement that a quorum of the legislative body participate from any particular location. The provisions of subdivision (b) and Sections 54953.8 to 54953.8.7, inclusive, shall not apply to remote participation under this subdivision.

(d) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(i) A local agency executive, as defined in subdivision (d) of Section 3511.1.

(ii) A department head or other similar administrative officer of the local agency.

(e) For purposes of this section, both of the following definitions apply:

electronic medium that does not permit members to interactively speak, discuss, or deliberate on matters.

(3) “Remote participation” means participation in a meeting by teleconference at a location other than any physical meeting location designated in the notice of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec.4. (SB 707) Effective January 1, 2026.)

54953.1. The provisions of this chapter shall not be construed to prohibit the members of the legislative body of a local agency from giving testimony in private before a grand jury, either as individuals or as a body.

(Added by Stats. 1979, Ch. 950.)

54953.2. All meetings of a legislative body of a local agency that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. 54953.3. A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(Amended by Stats. 1981, Ch. 968, Sec. 28.)

54953.4. (a) The Legislature finds and declares that public access, including through translation of agendas as required by this section, is necessary for an informed populace. The Legislature encourages local agencies to adopt public access requirements that exceed the requirements of this chapter by translating additional languages, employing human translators, and conducting additional outreach.

(b) (1) In addition to any other applicable requirements of this chapter, a meeting held by a eligible legislative body pursuant to this chapter shall comply with both of the following requirements:

(A) (i) (I) (ia) All open and public meetings shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform, except if adequate telephonic or internet service is not operational at the meeting location. If adequate telephonic or internet service is operational at the meeting location during

only a portion of the meeting, the legislative body shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform during that portion of the meeting.

(ib) (Ia) On or before July 1, 2026, an eligible legislative body shall approve at a noticed public meeting in open session, not on the consent calendar, a policy regarding disruption of telephonic or internet service occurring during meetings subject to this sub-subclause. The policy shall address the procedures for recessing and reconvening a meeting in the event of disruption and the efforts that the eligible legislative body shall make to attempt to restore the service.

(Ib) If a disruption of telephonic or internet service that prevents members of the public from attending or observing the meeting via the two-way telephonic service or two-way audiovisual platform occurs during the meeting, the eligible legislative body shall recess the open session of the meeting for at least one hour and make a good faith attempt to restore the service. The eligible legislative body may meet in closed session during this period. The eligible legislative body shall not reconvene the open session of the meeting until at least one hour following the disruption, or until telephonic or internet service is restored, whichever is earlier.

(Ic) Upon reconvening the open session, if telephonic or internet service has not been restored, the eligible legislative body shall adopt a finding by rollcall vote that good faith efforts to restore the telephonic or internet service have been made in accordance with the policy adopted pursuant to sub-sub-subclause (Ia) and that the public interest in continuing the meeting outweighs the public interest in remote public access.

(II) Subclause (I) does not apply to a meeting that is held to do any of the following:

(ia) Attend a judicial or administrative proceeding to which the local agency is a party.

(ib) Inspect real or personal property provided that the topic of the meeting is limited to items directly related to the real or personal property.

If an eligible legislative body does not elect to provide a two-way audiovisual platform, the eligible legislative body shall provide a two-way telephonic service for the public to participate in the meeting, pursuant to subclause (I).

(B) (i) All open and public meetings for which attendance via a two-way telephonic service or a two-way audiovisual platform is provided in accordance with paragraph (1) shall provide the public with an opportunity to provide public comment in accordance with Section 54954.3 via the two-way telephonic or two-way audiovisual platform, and ensure the opportunity for the members of the public participating via a two-way telephonic or two-way audiovisual platform to provide public comment with the same time allotment as a person attending a meeting in person.

(2) (A) An eligible legislative body shall reasonably assist members of the public who wish to translate a public meeting into any language or wish to receive interpretation provided by another member of the public, so long as the interpretation is not disrupting to the meeting, as defined in Section 54957.95. The eligible legislative body shall publicize instructions on how to request assistance under this subdivision. Assistance may include any of the following, as determined by the eligible legislative body:

(i) Arranging space for one or more interpreters at the meeting location.

(ii) Allowing extra time during the meeting for interpretation to occur.

(iii) Ensuring participants may utilize their personal equipment or reasonably access facilities for participants to access commercially available interpretation services.

(B) This section does not require an eligible legislative body to provide interpretation of any public meeting, however, an eligible legislative body may elect to provide interpretation of any public meeting.

(C) The eligible legislative body is not responsible for the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision. An action shall not be commenced or maintained against the eligible legislative body arising from the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision.

(3) An eligible legislative body shall take the following actions to encourage residents, including those in underrepresented communities and non-English-speaking communities, to participate in public meetings:

(A) Have in place a system for electronically accepting and fulfilling requests for meeting agendas and documents pursuant to Section 54954.1 through email or through an integrated agenda management platform. Information about how to make a request using

this system shall be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(B) (i) Create and maintain an accessible internet webpage dedicated to public meetings that includes, or provides a link to, all of the following information:

(I) A general explanation of the public meeting process for the eligible legislative body.

(II) An explanation of the procedures for a member of the public to provide in-person or remote oral public comment during a public meeting or to submit written public comment.

(III) A calendar of all public meeting dates with calendar listings that include the date, time, and location of each public meeting.

(IV) The agenda posted online pursuant to paragraph (2) of subdivision (a) of Section 54954.2.

(ii) The eligible legislative body shall include a link to the webpage required by subparagraph (A) on the home page of the eligible legislative body's internet website.

(C) (i) Make reasonable efforts, as determined by the legislative body, to invite groups that do not traditionally participate in public meetings to attend those meetings, which may include, but are not limited to, all the following:

(I) Media organizations that provide news coverage in the jurisdiction of the eligible legislative body, including media organizations that serve non-English-speaking communities.

(II) Good government, civil rights, civic engagement, neighborhood, and community group organizations, or similar organizations that are active in the jurisdiction of the eligible legislative body, including organizations active in non-English-speaking communities.

(ii) Legislative bodies shall have broad discretion in the choice of reasonable efforts they make under this subparagraph. No action shall be commenced or maintained against an eligible legislative body arising from failing to provide public meeting information to any specific group pursuant to this subparagraph.

(c) (1) (A) The agenda for each meeting of an eligible legislative body shall be translated into all applicable languages, and each translation shall be posted in accordance with Section 54954.2. Each translation shall include instructions in the applicable language describing how to join the meeting by the telephonic or internet-based service option, including any requirements for registration for public comment.

(B) The accessible internet webpage provided under subparagraph (B) of paragraph (3) of subdivision (b) shall be translated into all applicable languages, and each translation shall

be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(2) A translation made using a digital translation service shall satisfy the requirements of paragraph (1).

(3) The eligible legislative body shall make available a physical location that is freely accessible to the public in reasonable proximity to the physical location in which the agenda and translations are posted as described in paragraph (1), and shall allow members of the public to post additional translations of the agenda in that location.

(4) The eligible legislative body is not responsible for the content or accuracy of any translation provided pursuant to this subdivision. No action shall be commenced or maintained against an eligible legislative body arising from the content, accuracy, posting, or removal of any translation provided by the eligible legislative body or posted by any person pursuant to this subdivision.

(5) For the purposes of this section, the agenda does not include the entire agenda packet.

(1) (A) “Applicable languages” means languages, according to data from the most recent American Community Survey, spoken jointly by 20 percent or more of the applicable population, provided that 20 percent or more of the population that speaks that language in that city or county speaks English less than “very well.”

(B) For the purposes of subparagraph (A), the applicable population shall be determined as follows:

(i) For an eligible legislative body that is a city council or county board of supervisors, the applicable population shall be the population of the city or county.

(D) An eligible legislative body may elect to determine the applicable languages based upon a source other than the most recent American Community Survey if it makes a finding, based upon substantial evidence, that the other source provides equally or more reliable data for the territory over which the eligible legislative body exercises jurisdiction.

(2) “Eligible legislative body” means any of the following:

(B) A county board of supervisors of a county, or city and county, with a population of 30,000 or more.

(Added by Stats. 2025, Ch. 327, Sec.5. (SB 707) Effective January 1, 2026.)

54953.5. (a) Any person attending an open and public meeting of a legislative body of a local agency shall have the right to record the proceedings in the absence of a reasonable finding by the legislative body of the local agency that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any recording of an open and public meeting made for whatever purpose by or at the direction of the local agency shall be subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), but, notwithstanding Section 34090, may be erased or destroyed 30 days after the recording. Any inspection of an audio or video recording shall be provided without charge on equipment made available by the local agency.

(Amended by Stats. 2025, Ch. 327, Sec.7. (SB 707) Effective January 1, 2026.)

54953.8. (a) The legislative body of a local agency may use teleconferencing as authorized by subdivision (b) of Section 54953 without complying with the requirements of paragraph (3) of subdivision (b) of Section 54953 in any of the circumstances described in Sections 54953.8.1 to 54953.8.7, inclusive.

(2) In each instance in which notice of the time of the teleconference meeting held pursuant to this section is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option.

(3) In the event of a disruption that prevents the legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(4) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time.

(5) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(6) (A) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to paragraph (5), to provide public comment until that timed public comment period has elapsed.

(B) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to paragraph (5), or otherwise be recognized for the purpose of providing public comment.

(C) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to paragraph (5), until the timed general public comment period has elapsed.

(8) The legislative body shall have and implement a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, consistent

with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and resolving any doubt in favor of accessibility. In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the procedure for receiving and resolving requests for accommodation.

(9) The legislative body shall conduct meetings subject to this chapter consistent with applicable civil rights and nondiscrimination laws.

(f) The teleconferencing provisions described in Section 54953 and Sections 54953.8.1 to 54953.8.7, inclusive, are cumulative. 54954.1. Any person may request that a copy of the agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. If a local agency has an internet website, the legislative body or its designee shall email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the item or items be delivered by email. If the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or a link to a website that contains the documents by email or by other electronic means, the legislative body or its designee shall send by mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements established pursuant to this section. If requested, the agenda and documents in the agenda packet shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Upon receipt of the written request, the legislative body or its designee shall cause the requested materials to be mailed at the time the agenda is posted pursuant to Section 54954.2 and 54956 or upon distribution to all, or a majority of all, of the members of a legislative body, whichever occurs first. Any request for mailed copies of agendas or agenda packets shall be valid for the calendar year in which it is filed, and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, which fee shall not exceed the cost of providing the service. Failure of the requesting person to receive the agenda or agenda packet pursuant to this section shall not constitute grounds for invalidation of

the actions of the legislative body taken at the meeting for which the agenda or agenda packet was not received.

(Amended by Stats. 2021, Ch. 763, Sec. 1. (SB 274) Effective January 1, 2022.)

54954.2. (a) (1) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda that meets all of the following requirements:

(A) The agenda shall contain a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words.

(B) The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public and on the local agency's internet website, if the local agency has one.

(C) (i) If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(ii) The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting.

(2) For a meeting occurring on and after January 1, 2019, of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website, the following provisions shall apply:

(A) An online posting of an agenda shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state that is accessible through a prominent, direct link to the current agenda. The direct link to the agenda shall not be in a contextual menu; however, a link in addition to the direct link to the agenda may be accessible through a contextual menu.

(B) An online posting of an agenda, including, but not limited to, an agenda posted in an integrated agenda management platform, shall be posted in an open format that meets all of the following requirements:

(i) Retrievable, downloadable, indexable, and electronically searchable by commonly used internet search applications.

(ii) Platform independent and machine readable.

(iii) Available to the public free of charge and without any restriction that would impede the reuse or redistribution of the agenda.

(C) A legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website and an integrated agenda management platform shall not be required to comply with subparagraph (A) if all of the following are met:

(i) A direct link to the integrated agenda management platform shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state. The direct link to the integrated agenda management platform shall not be in a contextual menu. When a person clicks on the direct link to the integrated agenda management platform, the direct link shall take the person directly to an internet website with the agendas of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state.

(ii) The integrated agenda management platform may contain the prior agendas of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state for all meetings occurring on or after January 1, 2019.

(iii) The current agenda of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state shall be the first agenda available at the top of the integrated agenda management platform.

(iv) All agendas posted in the integrated agenda management platform shall comply with the requirements in clauses (i), (ii), and (iii) of subparagraph (B).

(D) The provisions of this paragraph shall not apply to a political subdivision of a local agency that was established by the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state.

(E) For purposes of this paragraph, both of the following definitions apply:

(1) “Integrated agenda management platform” means an internet website of a city, county, city and county, special district, school district, or political subdivision established by the state dedicated to providing the entirety of the agenda information for the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state to the public.

(2) “Legislative body” means a legislative body that meets the definition of subdivision (a) of Section 54952.

(3) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body,

may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

(b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item.

(1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.

(2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

(c) This section is necessary to implement and reasonably within the scope of paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(d) For purposes of subdivision (a), the requirement that the agenda be posted on the local agency's internet website, if the local agency has one, shall only apply to a legislative body that meets either of the following standards:

(1) A legislative body as that term is defined by subdivision (a) of Section 54952.

(2) A legislative body as that term is defined by subdivision (b) of Section 54952, if the members of the legislative body are compensated for their appearance, and if one or more of the members of the legislative body are also members of a legislative body as that term is defined by subdivision (a) of Section 54952.

(Amended by Stats. 2025, Ch. 327, Sec. 16. (SB 707) Effective January 1, 2026.)

54954.3. (a) (1) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2.

(2) (A) Notwithstanding paragraph (1), the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to

address the committee on the item, before or during the committee's consideration of the item.

(B) Subparagraph (A) shall not apply if any of the following conditions are met:

(i) The item has been substantially changed since the committee heard the item, as determined by the legislative body.

(ii) When considering the item, a quorum of the committee members did not participate from a singular physical location, that was clearly identified on the agenda, open to the public, and situated within the boundaries of the territory over which the local agency exercises jurisdiction.

(iii) The committee has primary subject matter jurisdiction, as defined by the charter, an ordinance, a resolution, or any formal action of the legislative body that created the subsidiary body, that focuses on elections, budgets, police oversight, privacy, removing from, or restricting access to, materials available in public libraries, or taxes or related spending proposals. This clause shall not apply to an item if the local agency has adopted a law applicable to the meeting of the committee at which the item that was considered prohibits the committee from placing a limit on the total amount of time for public comment on the item.

(3) Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) (1) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(2) Notwithstanding paragraph (1), when the legislative body of a local agency limits time for public comment, the legislative body of a local agency shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the legislative body of a local agency.

(3) Paragraph (2) shall not apply if the legislative body of a local agency utilizes simultaneous translation equipment in a manner that allows the legislative body of a local agency to hear the translated public testimony simultaneously.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(Amended by Stats. 2025, Ch. 327, Sec. 17. (SB 707) Effective January 1, 2026.)

54954.4. (a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.

(b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.

(c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. Unless specifically stated, no future Budget Act, or related budget enactments, shall, in any manner, be interpreted to suspend, eliminate, or otherwise modify the legal obligation and duty of local agencies to fully comply with Chapter 641 of the Statutes of 1986 in a complete, faithful, and uninterrupted manner.

Notwithstanding paragraph (2) of subdivision (a), the joint notice need not include notice of the public meeting after the meeting has taken place. The public hearing pursuant to subdivision (a) shall take place no earlier than 45 days after the first publication of the joint notice pursuant to this subdivision. Any written request for mailed notices shall be effective for one year from the date on which it is filed unless a renewal request is filed. The costs recovered for these purposes, whether recovered pursuant to this subdivision or any other provision of law, shall not exceed the reasonable costs of the public meetings, public hearings, and notice.

54955. The legislative body of a local agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the legislative body may declare the meeting adjourned to a stated time and place and he shall cause a written notice of the

adjournment to be given in the same manner as provided in Section 54956 for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

(Amended by Stats. 1959, Ch. 647.)

54955.1. Any hearing being held, or noticed or ordered to be held, by a legislative body of a local agency at any meeting may by order or notice of continuance be continued or reconvened to any subsequent meeting of the legislative body in the same manner and to the same extent set forth in Section 54955 for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(Added by Stats. 1965, Ch. 469.)

54956. (a) (1) A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing and posting a notice on the local agency's internet website, if the local agency has one. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telephone or electronic mail. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

(2) The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

(b) Notwithstanding any other law, a legislative body shall not call a special meeting regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits, of the legislative body or of a local agency executive, as defined in subdivision (d) of Section 3511.1. However, this subdivision does not apply to a local agency calling a special meeting to discuss the local agency's budget.

(Amended by Stats. 2025, Ch. 327, Sec.18. (SB 707) Effective January 1, 2026.)

54956.5. (a) For purposes of this section, "emergency situation" means both of the following:

(1) An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

(2) A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a legislative body to provide one-hour notice before holding an emergency meeting under this section may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body.

(b) (1) Subject to paragraph (2), in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

(2) Each local newspaper of general circulation and radio or television station that has requested notice of special meetings pursuant to Section 54956 shall be notified by the presiding officer of the legislative body, or designee thereof, one hour prior to the emergency meeting, or, in the case of a dire emergency, at or near the time that the presiding officer or designee notifies the members of the legislative body of the emergency meeting.

(A) Except as provided in subparagraph (B), the notice required by this paragraph shall be given by telephone and all telephone numbers provided in the most recent request of a newspaper or station for notification of special meetings shall be exhausted. In the event that telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(B) For an emergency meeting held pursuant to this section, the presiding officer of the legislative body, or designee thereof, may send the notifications required by this paragraph by email instead of by telephone, as provided in subparagraph (A), to all local newspapers of general circulation, and radio or television stations, that have requested those notifications by email, and all email addresses provided by representatives of those newspapers or stations shall be exhausted. In the event that internet services and telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(c) During a meeting held pursuant to this section, the legislative body may meet in closed session pursuant to Section 54957 if agreed to by a two-thirds vote of the members of the legislative body present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present.

(d) All special meeting requirements, as prescribed in Section 54956 shall be applicable to a meeting called pursuant to this section, with the exception of the 24-hour notice requirement.

(e) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the legislative body, or designee of the legislative body, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

(Amended by Stats. 2025, Ch. 327, Sec. 19. (SB 707) Effective January 1, 2026.)

54956.6. No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

(Added by Stats. 1980, Ch. 1284.)

54956.7. Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

(Added by Stats. 1982, Ch. 298, Sec. 1.)

54956.75. (a) Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a legislative body of a local agency meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

(Added by Stats. 2004, Ch. 576, Sec. 4. Effective January 1, 2005.)

54956.8. Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, “lease” includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.

(Amended by Stats. 1998, Ch. 260, Sec. 3. Effective January 1, 1999.)

54956.81. Notwithstanding any other provision of this chapter, a legislative body of a local agency that invests pension funds may hold a closed session to consider the purchase or sale of particular, specific pension fund investments. All investment transaction decisions made during the closed session shall be made by rollcall vote entered into the minutes of the closed session as provided in subdivision (a) of Section 54957.2.

(Added by Stats. 2004, Ch. 533, Sec. 20. Effective January 1, 2005.)

54956.86. Notwithstanding any other provision of this chapter, a legislative body of a local agency which provides services pursuant to Section 14087.3 of the Welfare and Institutions Code may hold a closed session to hear a charge or complaint from a member enrolled in its health plan if the member does not wish to have his or her name, medical status, or other information that is protected by federal law publicly disclosed. Prior to holding a closed session pursuant to this section, the legislative body shall inform the member, in writing, of his or her right to have the charge or complaint heard in an open session rather than a closed session.

(Added by Stats. 1996, Ch. 182, Sec. 2. Effective January 1, 1997.)

54956.9. (a) Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

(b) For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter.

(c) For purposes of this section, “litigation” includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(d) For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

- (1) Litigation, to which the local agency is a party, has been initiated formally.
- (2) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.
- (3) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (2).
- (4) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

(e) For purposes of paragraphs (2) and (3) of subdivision (d), “existing facts and circumstances” shall consist only of one of the following:

- (1) Facts and circumstances that might result in litigation against the local agency but which the local agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed.
- (2) Facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced.
- (3) The receipt of a claim pursuant to the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code) or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection pursuant to Section 54957.5.
- (4) A statement made by a person in an open and public meeting threatening litigation on a specific matter within the responsibility of the legislative body.
- (5) A statement threatening litigation made by a person outside an open and public meeting on a specific matter within the responsibility of the legislative body so long as the official or employee of the local agency receiving knowledge of the threat makes a contemporaneous or other record of the statement prior to the meeting, which record shall be available for public inspection pursuant to Section 54957.5. The records so created need not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on their behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed.

(f) Nothing in this section shall require disclosure of written communications that are privileged and not subject to disclosure pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1).

(g) Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state on the agenda or publicly announce the paragraph of subdivision (d) that authorizes the closed session. If the session is closed pursuant to paragraph (1) of subdivision (d), the body shall state the title of or otherwise specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(h) A local agency shall be considered to be a "party" or to have a "significant exposure to litigation" if an officer or employee of the local agency is a party or has significant exposure to litigation concerning prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which it is an issue whether an activity is outside the course and scope of the office or employment.

(Amended by Stats. 2021, Ch. 615, Sec. 206. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54956.95. (a) Nothing in this chapter shall be construed to prevent a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, for purposes of insurance pooling, or a local agency member of the joint powers agency, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the joint powers agency or a local agency member of the joint powers agency.

(b) Nothing in this chapter shall be construed to prevent the Local Agency Self-Insurance Authority formed pursuant to Chapter 5.5 (commencing with Section 6599.01) of Division 7 of Title 1, or a local agency member of the authority, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the authority or a local agency member of the authority.

(c) Nothing in this section shall be construed to affect Section 54956.9 with respect to any other local agency.

(Added by Stats. 1989, Ch. 882, Sec. 3.)

54956.96. (a) Nothing in this chapter shall be construed to prevent the legislative body of a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, from adopting a policy or a bylaw or including in its joint powers agreement provisions that authorize either or both of the following:

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a local agency member may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(B) Other members of the legislative body of the local agency present in a closed session of that local agency member.

(2) Any designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member's regularly appointed member to attend closed sessions of the joint powers agency.

(b) (1) In addition to the authority described in subdivision (a), the Clean Power Alliance of Southern California, or its successor entity, may adopt a policy or a bylaw or include in its joint powers agreement a provision that authorizes both of the following:

(A) A designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the Clean Power Alliance of Southern California, or its successor entity, in lieu of a local agency member's regularly appointed member, to attend closed sessions of the Clean Power Alliance of Southern California, or its successor entity.

(B) All information that is received by a designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member, and that is presented to the Clean Power Alliance of Southern California, or its successor entity, in closed session, shall be confidential. However, the designated alternate member may disclose information obtained in a closed session that has direct financial or liability implications for the local agency member for which the designated alternate member attended the closed session, to the following individuals:

(i) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(ii) Members of the legislative body of the local agency present in a closed session of that local agency member.

(2) If the Clean Power Alliance of Southern California, or its successor entity, adopts a policy or bylaw or includes in its joint powers agreement a provision authorized pursuant to paragraph (1), the Clean Power Alliance of Southern California, or its successor entity, shall establish policies to prevent conflicts of interest and to address breaches of confidentiality that apply to a designated alternate member who is not a member of the legislative body of a local agency member who attends a closed session of the Clean Power Alliance of Southern California, or its successor entity.

(c) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a) or (b), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a) or paragraph (1) of subdivision (b).

(d) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(Amended (as amended by Stats. 2019, Ch. 248, Sec. 1) by Stats. 2024, Ch. 24, Sec. 1. (AB 1852) Effective January 1, 2025. Repealed as of January 1, 2030, by its own provisions. See later operative version, as amended by Sec. 2 of Stats. 2024, Ch. 24.)

54956.97. Notwithstanding any provision of law, the governing board, or a committee of the governing board, of a public bank, as defined in Section 57600 of the Government Code, may meet in closed session to consider and take action on matters pertaining to all of the following:

(a) A loan or investment decision.

(b) A decision of the internal audit committee, the compliance committee, or the governance committee.

(c) A meeting with a state or federal regulator.

(Added by Stats. 2019, Ch. 442, Sec. 14. (AB 857) Effective January 1, 2020.) **54957.** (a) (1) This chapter does not prevent the legislative body of a local agency from holding closed sessions with the Governor, Attorney General, district attorney, agency counsel, sheriff, or chief of police, or other law enforcement or security personnel, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings, a threat to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service, a threat to the public's right of access to public services or public facilities, or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity.

(2) For purposes of this subdivision, the following definitions apply:

(A) "Critical infrastructure controls" means networks and systems controlling assets so vital to the local agency that the incapacity or destruction of those networks, systems, or assets would have a debilitating impact on public health, safety, economic security, or any combination thereof.

(B) "Critical infrastructure information" means information not customarily in the public domain pertaining to any of the following:

(i) Actual, potential, or threatened interference with, or an attack on, compromise of, or incapacitation of critical infrastructure controls by either physical or computer-based attack or other similar conduct, including, but not limited to, the misuse of, or unauthorized access to, all types of communications and data transmission systems,

that violates federal, state, or local law or harms public health, safety, or economic security, or any combination thereof.

(ii) The ability of critical infrastructure controls to resist any interference, compromise, or incapacitation, including, but not limited to, any planned or past assessment or estimate of the vulnerability of critical infrastructure.

(iii) Any planned or past operational problem or solution regarding critical infrastructure controls, including, but not limited to, repair, recovery, reconstruction, insurance, or continuity, to the extent it is related to interference, compromise, or incapacitation of critical infrastructure controls.

(b) (1) Subject to paragraph (2), this chapter does not prevent the legislative body of a local agency from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, discipline, or dismissal of a public employee or to hear complaints or charges brought against the employee by another person or employee unless the employee requests a public session.

(2) As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of their right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session. If notice is not given, any disciplinary or other action taken by the legislative body against the employee based on the specific complaints or charges in the closed session shall be null and void.

(3) The legislative body also may exclude from the public or closed meeting, during the examination of a witness, any or all other witnesses in the matter being investigated by the legislative body.

(4) For the purposes of this subdivision, the term “employee” shall include an officer or an independent contractor who functions as an officer or an employee but shall not include any elected official, member of a legislative body or other independent contractors. This subdivision shall not limit local officials’ ability to hold closed session meetings pursuant to Sections 1461, 32106, and 32155 of the Health and Safety Code or Sections 37606 and 37624.3 of the Government Code. Closed sessions held pursuant to this subdivision shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline.

(Amended by Stats. 2024, Ch. 243, Sec. 1. (AB 2715) Effective January 1, 2025.)

54957.1. (a) The legislative body of any local agency shall publicly report any action taken in closed session and the vote or abstention on that action of every member present, as follows:

(1) Approval of an agreement concluding real estate negotiations pursuant to Section 54956.8 shall be reported after the agreement is final, as follows:

(A) If its own approval renders the agreement final, the body shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with the other party to the negotiations, the local agency shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the local agency of its approval.

(2) Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of a consultation under Section 54956.9 shall be reported in open session at the public meeting during which the closed session is held. The report shall identify, if known, the adverse party or parties and the substance of the litigation. In the case of approval given to initiate or intervene in an action, the announcement need not identify the action, the defendants, or other particulars, but shall specify that the direction to initiate or intervene in an action has been given and that the action, the defendants, and the other particulars shall, once formally commenced, be disclosed to any person upon inquiry, unless to do so would jeopardize the agency's ability to effectuate service of process on one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(3) Approval given to its legal counsel of a settlement of pending litigation, as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final, as follows:

(A) If the legislative body accepts a settlement offer signed by the opposing party, the body shall report its acceptance and identify the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with some other party to the litigation or with the court, then as soon as the settlement becomes final, and upon inquiry by any person, the local agency shall disclose the fact of that approval, and identify the substance of the agreement.

(4) Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant.

(5) Action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a public employee in closed session pursuant to Section 54957 shall be reported at the public meeting during which the closed session is held. Any report required by this paragraph shall identify the title of the position. The general requirement of this paragraph notwithstanding, the report of a dismissal or of the nonrenewal of an employment contract shall be deferred until the first public meeting following the exhaustion of administrative remedies, if any.

(6) Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been

accepted or ratified by the other party. The report shall identify the item approved and the other party or parties to the negotiation.

(7) Pension fund investment transaction decisions made pursuant to Section 54956.81 shall be disclosed at the first open meeting of the legislative body held after the earlier of the close of the investment transaction or the transfer of pension fund assets for the investment transaction.

(b) Reports that are required to be made pursuant to this section may be made orally or in writing. The legislative body shall provide to any person who has submitted a written request to the legislative body within 24 hours of the posting of the agenda, or to any person who has made a standing request for all documentation as part of a request for notice of meetings pursuant to Section 54954.1 or 54956, if the requester is present at the time the closed session ends, copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session. If the action taken results in one or more substantive amendments to the related documents requiring retyping, the documents need not be released until the retyping is completed during normal business hours, provided that the presiding officer of the legislative body or his or her designee orally summarizes the substance of the amendments for the benefit of the document requester or any other person present and requesting the information.

(c) The documentation referred to in subdivision (b) shall be available to any person on the next business day following the meeting in which the action referred to is taken or, in the case of substantial amendments, when any necessary retyping is complete.

(d) Nothing in this section shall be construed to require that the legislative body approve actions not otherwise subject to legislative body approval.

(e) No action for injury to a reputational, liberty, or other personal interest may be commenced by or on behalf of any employee or former employee with respect to whom a disclosure is made by a legislative body in an effort to comply with this section.

(f) This section is necessary to implement, and reasonably within the scope of, paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(Amended by Stats. 2006, Ch. 538, Sec. 311. Effective January 1, 2007.)

54957.2. (a) The legislative body of a local agency may, by ordinance or resolution, designate a clerk or other officer or employee of the local agency who shall then attend each closed session of the legislative body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be kept confidential. The minute book shall be available only to members of the legislative body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction wherein the local agency lies. The minute book may, but need not, consist of a recording of the closed session.

(b) An elected legislative body of a local agency may require that each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body keep a minute book as prescribed under subdivision (a).

(Amended by Stats. 2021, Ch. 615, Sec. 207. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54957.5. (a) Agendas of public meetings are disclosable public records under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be made available upon request without delay and in compliance with Section 54954.2 or Section 54956, as applicable. However, this section shall not apply to a writing, or portion thereof, that is exempt from public disclosure.

(b) (1) If a writing is a public record related to an agenda item for an open session of a regular meeting of the legislative body of a local agency and is distributed to all, or a majority of all, of the members of a legislative body of a local agency by a person in connection with a matter subject to discussion or consideration at an open meeting of the body less than 72 hours before that meeting, the writing shall be made available for public inspection pursuant to paragraph (2) at the time the writing is distributed to all, or a majority of all, of the members of the body.

(2) (A) Except as provided in subparagraph (B), a local agency shall comply with both of the following requirements:

(i) A local agency shall make any writing described in paragraph (1) available for public inspection at a public office or location that the agency shall designate for this purpose.

(ii) A local agency shall list the address of the office or location designated pursuant to clause (i) on the agendas for all meetings of the legislative body of that agency.

(B) A local agency shall not be required to comply with the requirements of subparagraph (A) if all of the following requirements are met:

(i) An initial staff report or similar document containing an executive summary and the staff recommendation, if any, relating to that agenda item is made available for public inspection at the office or location designated pursuant to clause (i) of subparagraph (A) at least 72 hours before the meeting.

(ii) The local agency immediately posts any writing described in paragraph (1) on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

(iii) The local agency lists the web address of the local agency's internet website on the agendas for all meetings of the legislative body of that agency.

(iv) (I) Subject to subclause (II), the local agency makes physical copies available for public inspection, beginning the next regular business hours for the local agency, at the office or location designated pursuant to clause (i) of subparagraph (A).

(II) This clause is satisfied only if the next regular business hours of the local agency commence at least 24 hours before that meeting.

(c) Writings that are public records described in subdivision (b) and distributed during a public meeting shall be made available for public inspection at the meeting if prepared by the local agency or a member of its legislative body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats upon request by a person with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(d) This chapter shall not be construed to prevent the legislative body of a local agency from charging a fee or deposit for a copy of a public record pursuant to Section 7922.530, except that a surcharge shall not be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(e) This section shall not be construed to limit or delay the public's right to inspect or obtain a copy of any record required to be disclosed under the requirements of the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), including, but not limited to, the ability of the public to inspect public records pursuant to Section 7922.525 and obtain copies of public records pursuant to either subdivision (b) of Section 7922.530 or Section 7922.535. This chapter shall not be construed to require a legislative body of a local agency to place any paid advertisement or any other paid notice in any publication.

(Amended (as amended by Stats. 2021, Ch. 615, Sec. 208) by Stats. 2022, Ch. 971, Sec. 1. (AB 2647) Effective January 1, 2023.)

54957.6. (a) Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions with the local agency's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation, subject to all of the following conditions:

(1) Prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its designated representatives.

(2) The closed session shall be for the purpose of reviewing its position and instructing the local agency's designated representatives.

(3) The closed session may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees.

(4) Any closed session with the local agency's designated representative regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussion of an agency's available funds and funding priorities, but only insofar as these discussions relate to providing instructions to the local agency's designated representative.

(5) The closed session shall not include final action on the proposed compensation of one or more unrepresented employees.

(6) For the purposes enumerated in this section, a legislative body of a local agency may also meet with a state conciliator who has intervened in the proceedings.

(b) For the purposes of this section, the term “employee” shall include an officer or an independent contractor who functions as an officer or an employee, but shall not include any elected official, member of a legislative body, or other independent contractors.

(Amended by Stats. 2025, Ch. 327, Sec.20. (SB 707) Effective January 1, 2026.)

54957.7. (a) Prior to holding any closed session, the legislative body of the local agency shall disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. In the closed session, the legislative body may consider only those matters covered in its statement. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law.

(b) After any closed session, the legislative body shall reconvene into open session prior to adjournment and shall make any disclosures required by Section 54957.1 of action taken in the closed session.

(c) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcements.

(Amended by Stats. 1993, Ch. 1137, Sec. 15. Effective January 1, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 1137.)

54957.8. (a) For purposes of this section, “multijurisdictional law enforcement agency” means a joint powers entity formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 that provides law enforcement services for the parties to the joint powers agreement for the purpose of investigating criminal activity involving drugs; gangs; sex crimes; firearms trafficking or felony possession of a firearm; high technology, computer, or identity theft; human trafficking; or vehicle theft.

(b) Nothing contained in this chapter shall be construed to prevent the legislative body of a multijurisdictional law enforcement agency, or an advisory body of a multijurisdictional law enforcement agency, from holding closed sessions to discuss the case records of any ongoing criminal investigation of the multijurisdictional law enforcement agency or of any party to the joint powers agreement, to hear testimony from persons involved in the investigation, and to discuss courses of action in particular cases.

(Amended by Stats. 2006, Ch. 427, Sec. 1. Effective September 22, 2006.)

54957.9. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the

removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec.21. (SB 707) Effective January 1, 2026.)

54957.95. (a) (1) In addition to authority exercised pursuant to Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting or their designee may remove, or cause the removal of, an individual for disrupting the meeting, including any teleconferenced meeting.

(2) Prior to removing an individual, the presiding member or their designee shall warn the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding member or their designee may then remove the individual if they do not promptly cease their disruptive behavior. This paragraph does not apply to any behavior described in subparagraph (B) of paragraph (1) of subdivision (b).

(b) As used in this section:

(1) “Disrupting” means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, one of the following:

(A) A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law.

(B) Engaging in behavior that constitutes use of force or a true threat of force.

(2) “True threat of force” means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat.

(Amended by Stats. 2025, Ch. 327, Sec.22. (SB 707) Effective January 1, 2026.)

54957.96. (a) The existing authority of a legislative body or its presiding officer to remove or limit participation by persons who engage in behavior that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting, including existing limitations upon that authority, shall apply to members of the public participating in a meeting via a two-way telephonic service or a two-way audiovisual platform.

(b) For purposes of this section, the following definitions apply:

(1) “Two-way audiovisual platform” means an online platform that provides participants with the ability to participate in a meeting via both an interactive video conference and a two-way telephonic service. A two-way audiovisual platform may be structured to disable the use of video for the public participants.

(2) “Two-way telephonic service” means a telephone service that does not require internet access and allows participants to dial a telephone number to listen and verbally participate.

(Added by Stats. 2025, Ch. 327, Sec.23. (SB 707) Effective January 1, 2026.)

54957.10. Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions to discuss a local agency employee’s application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan.

(Added by Stats. 2001, Ch. 45, Sec. 1. Effective January 1, 2002.)

54958. The provisions of this chapter shall apply to the legislative body of every local agency notwithstanding the conflicting provisions of any other state law.

(Added by Stats. 1953, Ch. 1588.)

54959. Each member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor.

(Amended by Stats. 1994, Ch. 32, Sec. 18. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54960. (a) The district attorney or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this chapter by members of the legislative body of a local agency or to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body, or to determine the applicability of this chapter to past actions of the legislative body, subject to Section 54960.2, or to determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the legislative body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 54956.7, 54956.8, 54956.9, 54956.95, 54957, or 54957.6, order the legislative body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by either the district attorney or the plaintiff in a civil action pursuant to Section 54959, 54960, or 54960.1 alleging that a violation of this chapter has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency that has custody and control of the recording.

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this chapter, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) This section shall not permit discovery of communications that are protected by the attorney-client privilege.

(Amended by Stats. 2012, Ch. 732, Sec. 1. (SB 1003) Effective January 1, 2013.)

54960.1. (a) The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c) (1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

(2) Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action.

(3) If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(d) An action taken that is alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, 54954.5, 54954.6, 54956, and 54956.5.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 has been

cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(f) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

(Amended by Stats. 2002, Ch. 454, Sec. 23. Effective January 1, 2003.)

54960.2. (a) The district attorney or any interested person may file an action to determine the applicability of this chapter to past actions of the legislative body pursuant to subdivision (a) of Section 54960 only if all of the following conditions are met:

(1) The district attorney or interested person alleging a violation of this chapter first submits a cease and desist letter by postal mail or facsimile transmission to the clerk or secretary of the legislative body being accused of the violation, as designated in the statement pertaining to that public agency on file pursuant to Section 53051, or if the agency does not have a statement on file designating a clerk or a secretary, to the chief executive officer of that agency, clearly describing the past action of the legislative body and nature of the alleged violation.

(2) The cease and desist letter required under paragraph (1) is submitted to the legislative body within nine months of the alleged violation.

(3) The time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b) has expired and the legislative body has not provided an unconditional commitment pursuant to subdivision (c).

(4) Within 60 days of receipt of the legislative body's response to the cease and desist letter, other than an unconditional commitment pursuant to subdivision (c), or within 60 days of the expiration of the time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b), whichever is earlier, the party submitting the cease and desist letter shall commence the action pursuant to subdivision (a) of Section 54960 or thereafter be barred from commencing the action.

(b) The legislative body may respond to a cease and desist letter submitted pursuant to subdivision (a) within 30 days of receiving the letter. This subdivision shall not be construed to prevent the legislative body from providing an unconditional commitment pursuant to subdivision (c) at any time after the 30-day period has expired, except that in that event the court shall award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to this section, in accordance with Section 54960.5.

(c) (1) If the legislative body elects to respond to the cease and desist letter with an unconditional commitment to cease, desist from, and not repeat the past action that is alleged to violate this chapter, that response shall be in substantially the following form:

To _____:

The [name of legislative body] has received your cease and desist letter dated [date] alleging that the following described past action of the legislative body violates the Ralph M. Brown Act:

[Describe alleged past action, as set forth in the cease and desist letter submitted pursuant to subdivision (a)]

In order to avoid unnecessary litigation and without admitting any violation of the Ralph M. Brown Act, the [name of legislative body] hereby unconditionally commits that it will cease, desist from, and not repeat the challenged past action as described above.

The [name of legislative body] may rescind this commitment only by a majority vote of its membership taken in open session at a regular meeting and noticed on its posted agenda as “Rescission of Brown Act Commitment.” You will be provided with written notice, sent by any means or media you provide in response to this message, to whatever address or addresses you specify, of any intention to consider rescinding this commitment at least 30 days before any such regular meeting. In the event that this commitment is rescinded, you will have the right to commence legal action pursuant to subdivision (a) of Section 54960 of the Government Code. That notice will be delivered to you by the same means as this commitment, or may be mailed to an address that you have designated in writing.

Very truly yours,

[Chairperson or acting chairperson of the legislative body]

(2) An unconditional commitment pursuant to this subdivision shall be approved by the legislative body in open session at a regular or special meeting as a separate item of business, and not on its consent agenda.

(3) An action shall not be commenced to determine the applicability of this chapter to any past action of the legislative body for which the legislative body has provided an unconditional commitment pursuant to this subdivision. During any action seeking a judicial determination regarding the applicability of this chapter to any past action of the legislative body pursuant to subdivision (a), if the court determines that the legislative body has provided an unconditional commitment pursuant to this subdivision, the action shall be dismissed with prejudice. Nothing in this subdivision shall be construed to modify or limit the existing ability of the district attorney or any interested person to commence an action to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body.

(4) Except as provided in subdivision (d), the fact that a legislative body provides an unconditional commitment shall not be construed or admissible as evidence of a violation of this chapter.

(d) If the legislative body provides an unconditional commitment as set forth in subdivision (c), the legislative body shall not thereafter take or engage in the challenged action described in the cease and desist letter, except as provided in subdivision (e). Violation of this subdivision shall

constitute an independent violation of this chapter, without regard to whether the challenged action would otherwise violate this chapter. An action alleging past violation or threatened future violation of this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(e) The legislative body may resolve to rescind an unconditional commitment made pursuant to subdivision (c) by a majority vote of its membership taken in open session at a regular meeting as a separate item of business not on its consent agenda, and noticed on its posted agenda as “Rescission of Brown Act Commitment,” provided that not less than 30 days prior to such regular meeting, the legislative body provides written notice of its intent to consider the rescission to each person to whom the unconditional commitment was made, and to the district attorney. Upon rescission, the district attorney or any interested person may commence an action pursuant to subdivision (a) of Section 54960. An action under this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(Added by Stats. 2012, Ch. 732, Sec. 2. (SB 1003) Effective January 1, 2013.)

54960.5. A court may award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to Section 54960, 54960.1, or 54960.2 where it is found that a legislative body of the local agency has violated this chapter. Additionally, when an action brought pursuant to Section 54960.2 is dismissed with prejudice because a legislative body has provided an unconditional commitment pursuant to paragraph (1) of subdivision (c) of that section at any time after the 30-day period for making such a commitment has expired, the court shall award court costs and reasonable attorney fees to the plaintiff if the filing of that action caused the legislative body to issue the unconditional commitment. The costs and fees shall be paid by the local agency and shall not become a personal liability of any public officer or employee of the local agency.

A court may award court costs and reasonable attorney fees to a defendant in any action brought pursuant to Section 54960 or 54960.1 where the defendant has prevailed in a final determination of such action and the court finds that the action was clearly frivolous and totally lacking in merit.

(Amended by Stats. 2012, Ch. 732, Sec. 3. (SB 1003) Effective January 1, 2013.)

54961. (a) No legislative body of a local agency shall conduct any meeting in any facility that prohibits the admittance of any person, or persons, on the basis of ancestry or any characteristic listed or defined in Section 11135, or which is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. This section shall apply to every local agency as defined in Section 54951.

(b) No notice, agenda, announcement, or report required under this chapter need identify any victim or alleged victim of tortious sexual conduct or child abuse unless the identity of the person has been publicly disclosed.

(Amended by Stats. 2007, Ch. 568, Sec. 35. Effective January 1, 2008.)

54962. Except as expressly authorized by this chapter, or by Sections 1461, 1462, 32106, and 32155 of the Health and Safety Code, or by Sections 37606, 37606.1, and 37624.3 of the Government Code as they apply to hospitals, or by any provision of the Education Code pertaining to school districts and community college districts, no closed session may be held by any legislative body of any local agency.

(Amended by Stats. 2006, Ch. 157, Sec. 2. Effective January 1, 2007.)

54963. (a) A person may not disclose confidential information that has been acquired by being present in a closed session authorized by Section 54956.7, 54956.8, 54956.86, 54956.87, 54956.9, 54957, 54957.6, 54957.8, or 54957.10 to a person not entitled to receive it, unless the legislative body authorizes disclosure of that confidential information.

(b) For purposes of this section, “confidential information” means a communication made in a closed session that is specifically related to the basis for the legislative body of a local agency to meet lawfully in closed session under this chapter.

(c) Violation of this section may be addressed by the use of such remedies as are currently available by law, including, but not limited to:

(1) Injunctive relief to prevent the disclosure of confidential information prohibited by this section.

(2) Disciplinary action against an employee who has willfully disclosed confidential information in violation of this section.

(3) Referral of a member of a legislative body who has willfully disclosed confidential information in violation of this section to the grandjury.

(d) Disciplinary action pursuant to paragraph (2) of subdivision (c) shall require that the employee in question has either received training as to the requirements of this section or otherwise has been given notice of the requirements of this section.

(e) A local agency may not take any action authorized by subdivision (c) against a person, nor shall it be deemed a violation of this section, for doing any of the following:

(1) Making a confidential inquiry or complaint to a district attorney or grand jury concerning a perceived violation of law, including disclosing facts to a district attorney or grand jury that are necessary to establish the illegality of an action taken by a legislative body of a local agency or the potential illegality of an action that has been the subject of deliberation at a closed session if that action were to be taken by a legislative body of a local agency.

(2) Expressing an opinion concerning the propriety or legality of actions taken by a legislative body of a local agency in closed session, including disclosure of the nature and extent of the illegal or potentially illegal action.

(3) Disclosing information acquired by being present in a closed session under this chapter that is not confidential information.

(f) Nothing in this section shall be construed to prohibit disclosures under the whistleblower statutes contained in Section 1102.5 of the Labor Code or Article 4.5 (commencing with Section 53296) of Chapter 2 of this code.

(Added by Stats. 2002, Ch. 1119, Sec. 1. Effective January 1, 2003.)
